

FEATURES & FINISHES

FROM A COMMUNITY LANDMARK: A LANDMARK COMMUNITY

Executive townhome residences with contemporary brick exteriors located next door to the heritage James Residence (The Hobbit House)

Streets are lined with mature trees and flower beds leading to a modern children's play area and a gated courtyard

Enjoy sweeping nature views from the roof top terraces in select homes

Open layouts with multiple terraces to maximize light and living space

Gas, water, and electrical connections on balconies and terraces

Air-conditioning in master bedroom and main floor

Ultra-wide and durable oak floors transcend throughout living, dining and kitchen areas

Nature-inspired 100% wool broadloom carpeting, custom designed for maximum comfort and durability

MODERN CONVENIENCES

Steps away from the Canada Line (King Edward Station)

Easy access to downtown, Oakridge Mall and YVR

Moments away from Queen Elizabeth Park and Douglas Park; a hidden gem with playing fields and a bustling community centre

The exquisite VanDusen Botanical Gardens and Bloedel Floral Conservatory are minutes away
Excellent school catchment area for all levels of education

Secure underground parking accessible from every home

Homes are pre-wired for in-home security

Low strata fees, with gas included in most homes

Travelers 2/5/10 Home Warranty
